GUSTO GAS RANGES

Model: 10BR-N

Gusto Gas Range

Features & Benefits:

Gusto's 10 burner gas ranges are designed for the most demanding foodservice applications and deliver years of maintenance free operation.

Constructed of a stainless steel front, sides, and removable shelf. Each 28,000 BTU burner has its own removable cast iron grate. The ovens' interior are enameled and can hold a full size sheet pan front-to-back, or side-to-side.

The oven thermostats are adjustable from 175°F to 550°F and are equipped with flame failure safety devices.

Quality Construction:

Stainless Steel front, backriser and removable shelf.

10 Cast iron top burners with lift-off heads.

28,000 BTUs per burner.

12" x 12" Cast iron removable grates.

Quadrant spring doors with ergonomic chrome handles.

Removable one-piece crumb trays for easy cleaning.

6" Stainless Steel adjustable legs.

3/4" Rear NPT gas connection.

Warranty:

Gusto Ranges are covered by Southbend's warranty for one year parts and labor.

Ovens' features:

35,000 BTUs output per oven.

U-shaped heavy duty oven burners.

Flame failure safety devices.

2 Rack guides with one removable rack inside each oven.

Adjustable thermostats from 175º F to 550º F.

Ergonomic chrome oven door handles.

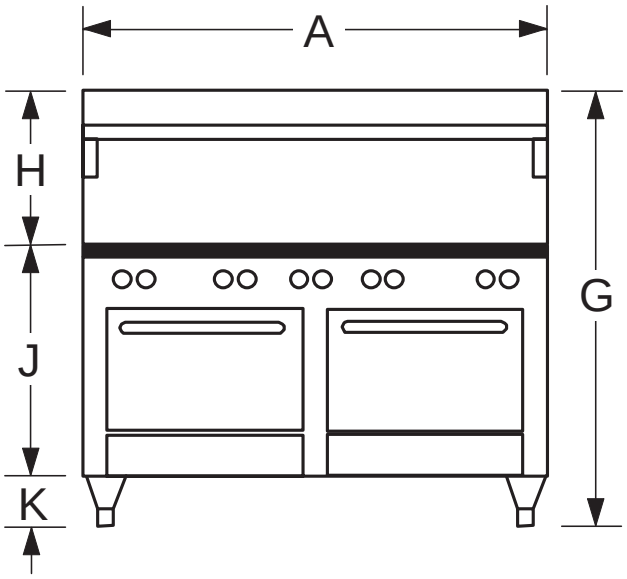

Large 26" wide X 26-1/2" deep ovens with all oven cavity parts enameled.

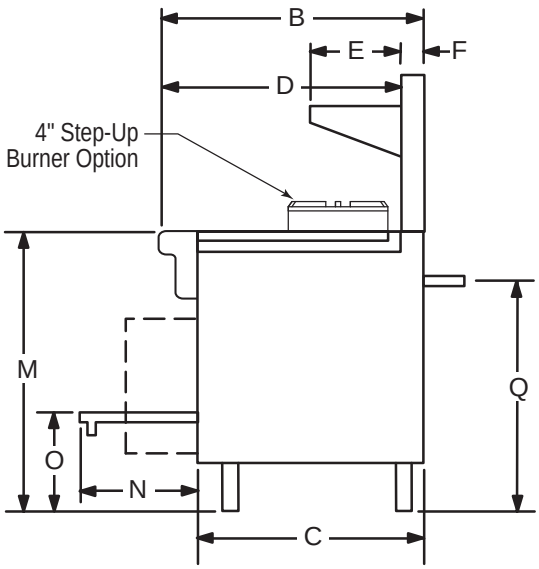

Four sides and top of ovens insulated with heavy, self-supporting block type rock wool with oven baffle assembly.
