GUSTO BLACK STEEL ICE CHEST

Model: IC-BLACK

Gusto Black Steel Ice Chest

Features & Benefits:

Gusto steel ice chests are designed to merchandise your products where customers can see them, while keeping them cold for long periods of time.

Outer wrap is constructed of 24 ga. electro-galvanized steel and coated with black polyurethane paint.

Foam injected insulation ensures products stay cold longer.

Durable stainless steel interior makes it easy to clean, and adds resistance to rust.

3/4” brass garden hose threaded drain in the outside center bottom for simplified maintenance.

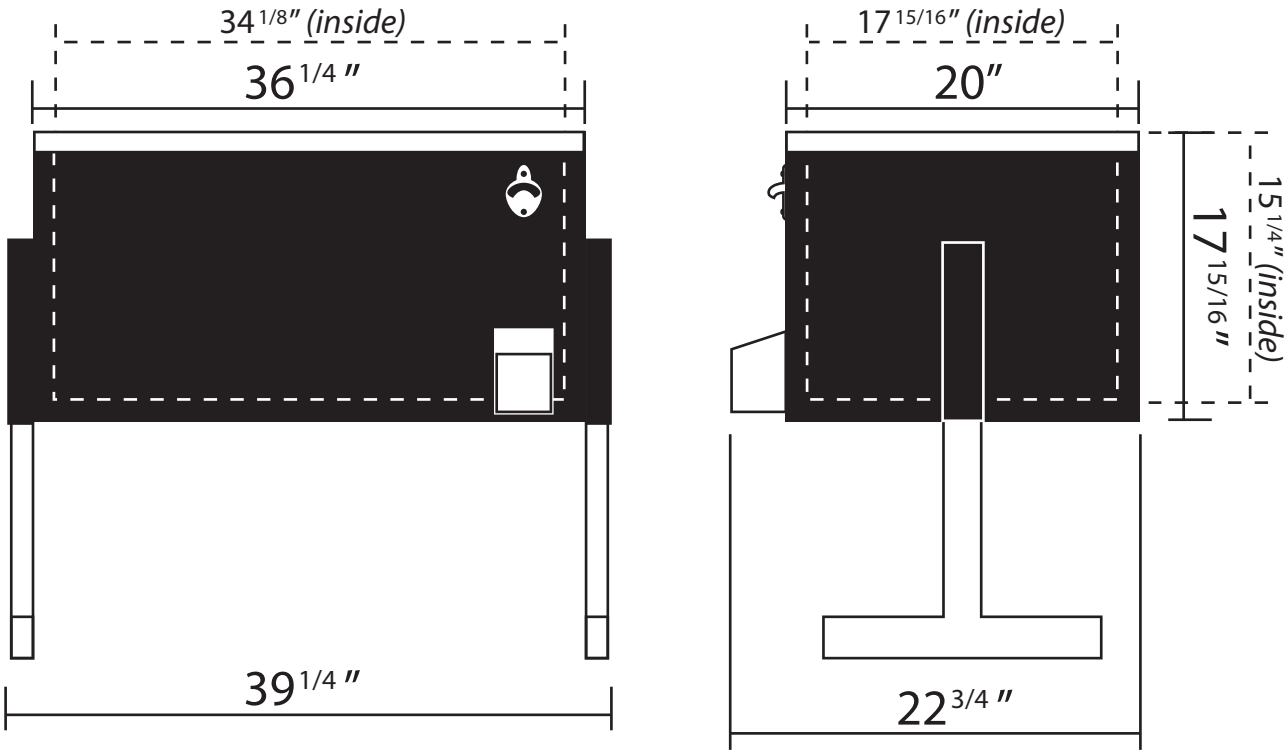

28” tall “T” legs made of 1”x 2” zinc-plated tubing and are easily removed for storage and mobility--no tools required.

Applications:

Gusto steel ice chests are sleek and attractive, making them a must-have for bars, caterers, parties, weddings, buffets, and other special events.
