Gusto Speed Rails

Features & Benefits:

Gusto speed rails are designed for the most demanding foodservice applications and deliver years of maintenance and hassle free operation.

Available in single and dual wells to better accomodate operators' needs.

Sizes available in 22", 32", or 42" widths to fit just about anywhere and suitable for a variety of bottles with up to a max diameter of 3-1/4".

The optional hanging straps are designed for easy mounting and dismounting of the speed rails, which facilitates cleaning.

Quality Construction:

Gusto speed rails are made of 18GA/430SS stainless steel for strength and durability.

Applications:

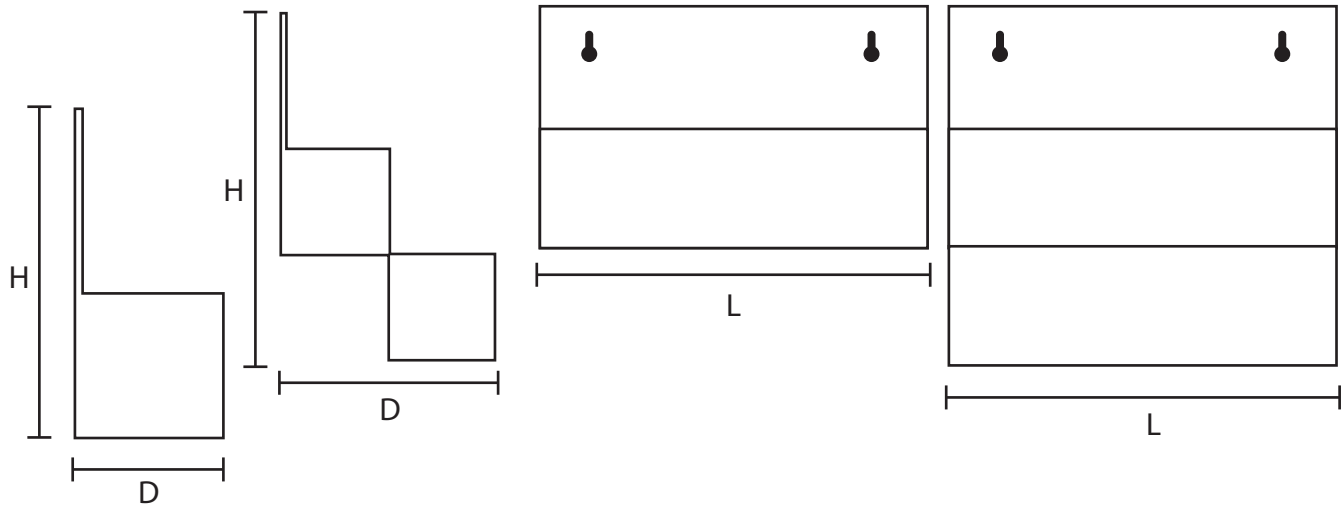

Gusto speed rails are designed with quality and durability in mind. Whether an operation has a large full service bar, a small bar, or even a mobile bar service, speed rails are one of the top, most relied-on accessories.
