HOT FOOD MERCHANDISER 36" 120V

FEATURES

- Thermostatically Controlled Heat with 90° to 185°F Temp. Range
- Internal Humidifying System to Keep Food Looking Fresh Longer
- Front and Rear Sliding Doors for Easy Loading and Customer Self-Serve Convenience
- Three Adjustable Shelves for Versatile Displays

Made in China

This hot food merchandiser from Gusto Equipment is perfect for displaying pies and pastries on narrow counter-tops or bars.

This 120 volt hot food merchandiser from Gusto Equipment has an illuminated display for bright eye catching merchandising. This merchandiser features a thermostatically controlled heat with a 90°F to 185°F temperature range. The internal humidifying system keeps food looking and tasting fresher longer. The three adjustable shelves allow you to create versatile displays. The rear and front sliding doors are designed to make loading easy and customer self-service convenient.
